

**TEXAS IS IN DANGER!**  
and  
**T.P.O.W.E.R**  
is here to help!  
**BUT WE NEED YOUR HELP!**

T.P.O.W.E.R. is a non-profit organization made up of Central Texans just like you who want to preserve our air and water quality. Our goal is to stop an out-of-state polluter from building a coal-powered plant in Riesel. Your financial assistance would be greatly appreciated.

The fight to stop the Sandy Creek (Riesel) Power Plant from being built will be a long one, and T.P.O.W.E.R. will utilize legal representation to assist the organization in its efforts to stop the plant from being built.

The more Central Texans that are involved in this fight, the better our chances are to preserve our air and water quality. Please give as you are able and be sure to attend our meeting on June 16, 2005, at 7:00 PM, at the Riesel High School Cafeteria.
